

# Installation instructions

(Windows 7)

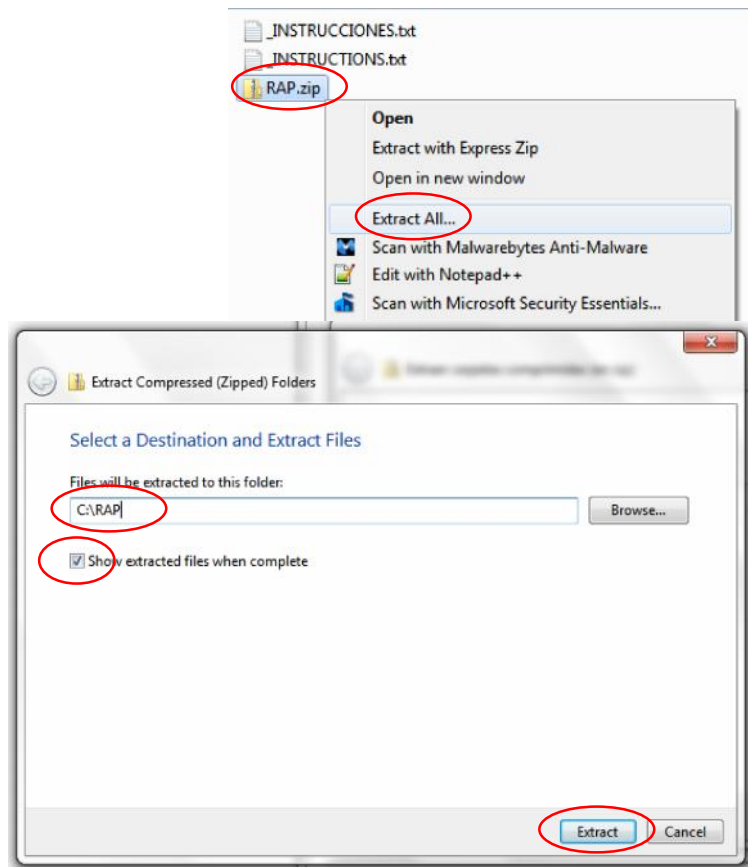

**First step: Extract the contents of the compressed folder RAP.zip to the folder C:\RAP**

1. *Right-click* the folder RAP.zip and...
2. Then click Extract All.

*Windows XP users: You will complete Nos. 3 and 4 in two separate dialog boxes.*

3. Write C:\RAP in the text box,...
4. Select the check box to turn the option on, and...

5. Then click Extract.

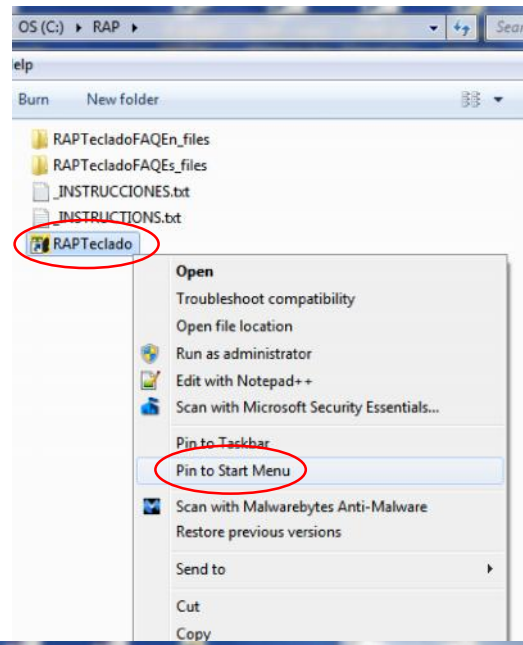

**Continued on the next page**

## Second step: Create shortcuts in the Start menu and on the Desktop

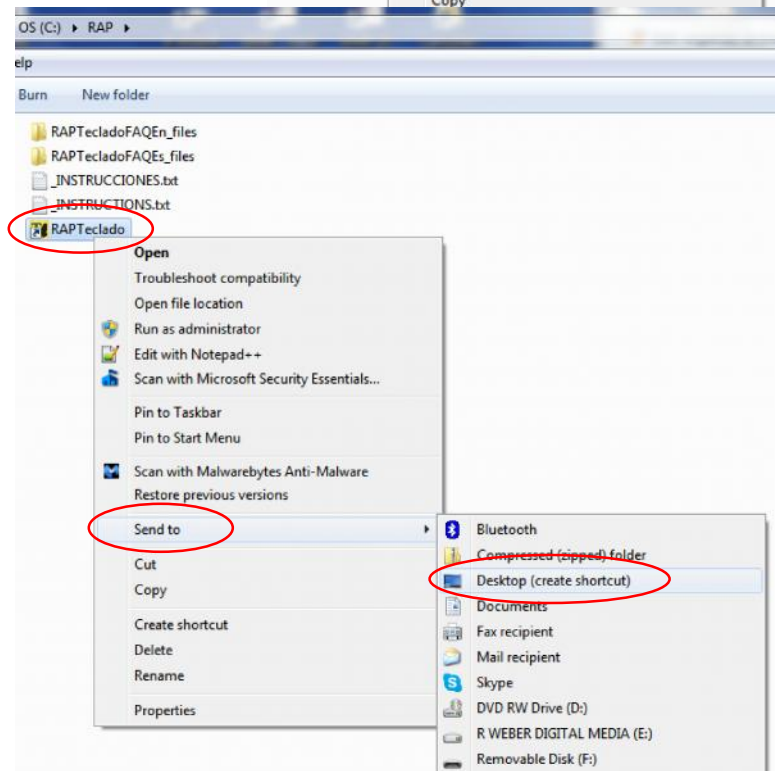

After the C:\RAP folder opens, to which the files were extracted,

1. *Right-click* the on the RAPTeclado shortcut and...

2. Then click on Pin to Start Menu.

3. Now, again *right-click* on the RAPTeclado shortcut,...

4. This time click on Send to, and...
5. Then click on Desktop.

## Third step: Launch the Rapa Nui keyboard manager for the first time and familiarize yourself with the help files

1. Double-click on any RAPTeclado shortcut (on the Desktop, Start Menu, or C\RAP).  
When activated, the tool's icon will appear in the notification area of the taskbar.

2. Finally, *right-click* on the RAPTeclado icon in the notification area and then click FREQUENTLY ASKED QUESTIONS.
